## SUNSHINE YOU CAN COUNT ON

As you stand atop Mt. Diablo, you see that the Tri-Valley is made up of three valleys that come together to create our name. These featured cities, Pleasanton, Livermore, Dublin, and the town of Danville, are home to award-winning wineries, delightfully-diverse restaurants, brew pubs, charming downtowns and unspoiled hiking trails. Just 35 miles east of San Francisco, “The Sunny Side of the Bay” is accessible from anywhere in the Bay Area. You’ll bask in the gorgeous sunshine, idyllic countryside and clean city charm. Experience local California, minutes from the city but worlds away.

### Nearby Airports:

- Oakland International Airport (OAK)– 17 miles
- San Jose International Airport (SJC)– 28 miles
- San Francisco International Airport (SFO)– 40 miles

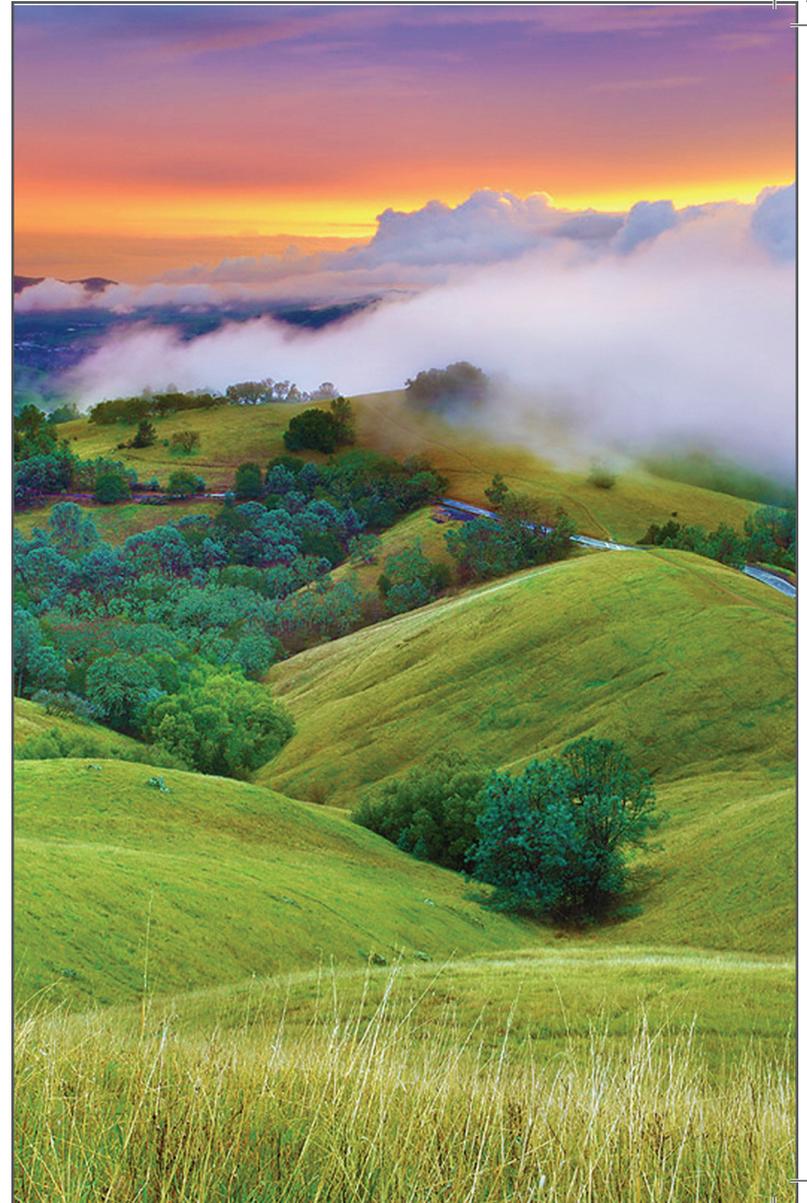

Bay Area Rapid Transit System (BART) is the leading transportation system with convenient stops in Dublin and Pleasanton directly from San Francisco and Oakland airports.

## DAY OFF IDEAS

### **Livermore Valley Wine Country**

Featuring more than 50 award-winning wineries, Livermore Valley is one of the country's oldest winemaking regions. It set the stage for California winemaking by providing the original Chardonnay and Cabernet Sauvignon clones that are planted throughout the state today.

### **Lost World Adventures**

Enjoy a wide variety of dinosaur-themed entertainment attractions on an immersive journey through lost ages of the past. Black light laser tag, mini golf, a super-sized play structure and an arcade are all under one roof. Enjoy the Bay Area's many sporting events on large screens while your children get the high-energy play they need.

### **San Francisco Premium Outlets**

Teeming with high-end designer and brand-name goods, the San Francisco Premium Outlets has become the premier shopping destination in the Bay Area. After its recent expansion, this is California's largest outlet mall.

## **Boomers**

Boomers is the favorite place for fun in Livermore! From Mini Golf to Laser Tag, their attractions are sure to keep the fun going for hours. They also have a challenging and fun arcade to play video games or win big prizes on the skill games.

## **Tri-Valley Beer Trail**

Once home to one of *the largest* hop farms in the world (some say the largest), the Tri-Valley is returning to its roots with an emerging craft beer scene. As California's newest beer trail, it features a growing collection of more than 20 establishments.

## **Umigo Go-Kart Racing & K1 Speed**

Challenge your driving skills in go-karts that reach up to 40 miles per hour. Umigo and K1 alter their tracks every couple of weeks to keep things interesting. Suits and helmets are provided and no experience is necessary.

## **Pedego Electric Bikes**

Tour the Livermore Valley on a rental from Pedego Electric Bikes. The throttle and pedal-assist motor provides just the right amount of boost to make it “no sweat” to ride a little extra distance through Livermore Valley wineries, breweries and countryside.
